As a leadership coach with Growth Coaching International, Monica works with principals and assistant principals in the Government school system. Her broad and successful experience in primary education in the Catholic system spans various roles including class teacher, school principal, school adviser and leadership coach. She also coaches principals and leaders in the Catholic School system.

Her expertise covers school improvement planning, mentoring programs, and staff professional development. Monica's experience also includes conducting principal wellbeing workshops and providing individual coaching and support to principals, deputy principals and leadership team members. As a school adviser with the Catholic Education Office Melbourne, she worked with individual teacher leaders, staff groups and has facilitated workshops and seminars for those in leadership roles.

She has a Bachelor of Education (La Trobe University); Masters of Arts (Graduate Theological Union Berkeley, CA. USA); Accredited Executive Coach (Growth Coaching International) and is an Emotional Intelligence Practitioner (Genos International).
