1 DAY MANAGEMENT PROGRAM or 1 DAY WORKPLACE PROGRAM FOR PRINCIPALS, HEADS OF DEPARTMENT, TEAM LEADERS OR ANYONE IN A SCHOOL OR SYSTEM LEADERSHIP ROLE

Developing Self and Others uses the DiSC™ profile system to help leaders and teams explore the interpersonal style of self and others.

The system, based around the completion of an online questionnaire and a comprehensive report, provides helpful insights into an individual's preferred behavioral style and how to bring greater interpersonal agility to one-to-one interactions and team relationships.

The profile is completed online and then reports are debriefed and incorporated into an interactive and practical workshop.

Two profile options are available:

- DiSC Management Profile is for Principals, Heads of Department, Team Leaders and anyone in a school or system leadership role
- DiSC Workplace Profile is an alternative report for members of intact teams without formal leadership responsibilities

This program can
be run in-house for
schools or groups
