## 2 DAY PROGRAM

# FOR INSTRUCTIONAL COACHES, PEDAGOGICAL COACHES LEARNING SPECIALISTS AND PROFESSIONAL LEADERS

Designed around the key themes of Dr Jim Knight's 2018 book, *The Impact Cycle: What Instructional Coaches Should Do to Foster Powerful Improvements in Teaching*, the aim of this program is to support educators in establishing coaching cycles that lead to improved teaching, and student learning.

GCI facilitators have worked in partnership with Dr Knight to prepare this highly regarded program for an Australian and New Zealand audience.

This program will primarily be of interest to those whose core function in schools is to help teachers develop their practice.

## THIS PROGRAM EXPLORES THE FOLLOWING QUESTIONS:

- ▶ What are the partnership principles and should I ground my coaching in them?
- ▶ What should be my approach to coaching?
- ▶ How do instructional coaches identify goals with teachers?
- ▶ How should instructional coaches go about explaining and modelling teaching strategies?
- ▶ How do coaches partner with teachers to make adaptations until goals are met?

This program can be run in-house for schools or groups
