Nicky is an accredited coach with Growth Coaching International and has completed coaching to a Master Class level. Nicky is committed to her own ongoing development and is currently enrolled in the Solution Focused Business Professional Certificate from the University of Wisconsin.

Nicky has extensive experience in facilitating Growth Coaching in New Zealand and has also worked closely with a number of Auckland primary schools to develop further the concept of 'Student as Coaches'.

Nicky is a founding Director of The Education Group, an independent education consulting company based in Auckland. She offers a wide range of services to schools in areas such as coaching, leadership, teacher performance and appraisal, appointments, curriculum design and review.

Nicky has completed a Doctor of Education with The University of Auckland examining the complex issue of sustaining improved student outcomes and teaching practice in mathematics.

Nicky is also the Senior Trainer for the Lions Quest programmes in New Zealand facilitating Skills for Growing and Skills for Adolescence workshops throughout New Zealand. She also has a Certificate in Training and Human Resource Development.
